Suspended Lamp BAGUET E27 42W Black

BAGUET is a family of ceiling lamps ideal for decorating dining rooms, lounges and large spaces in homes. It is also an ideal solution for placing on tables in restaurants or receptions shops and hotels. BAGUET has been designed from a structure that combines steel and wood with a view to deliver the design and aesthetics of the lamp. In addition, its structure and diffuser promote the propagation of light in every corner of the room. This pendant lamp configured from an E27 socket, so it is a ceiling lamp compatible with different light sources. However, Novolux Group recommends the use of LED lamps as a light source for this luminaire.
